Step 1: Go to www.ncsrisk.org/adventist and click on the first-time registrant button

Step 2: Select the Union and Conference where you work or volunteer

Step 3: Create a user ID and a password you can easily remember. It's recommended to use your email address for your user name.

The screenshot shows the user creation interface. At the top, there are logos for Seventh-day Adventist Church and Verified Volunteers. Below the logos, the text reads: "Please create a user id and password that you will use to access your account". It includes instructions: "Common names like Mary and John are not good choices as they are most likely already in use. Common abbreviations like Sarah and Roger are also likely to already be in use. We suggest using your full name (without spaces) or email address as they are more likely to be unique." There are two input fields: "Create a User ID:" and "Create a Password:". A "Continue" button is located below the password field. At the bottom, there are additional instructions: "Your user id is case sensitive. We recommend that you use all lower case letters and avoid spaces and punctuation. Email addresses are ok. Your user id must be at least 4 characters long. Your password must be at least 8 characters long." A link "Inspect rules about selecting passwords" is also present.

Step 4: Please provide the information requested on the screen. (Note: Do not click the back button or your registration will be lost).

Step 5: Select your primary location where you work or volunteer and click continue. If you work or volunteer in another location, please select 'Yes' and then select the location.

The screenshot shows the primary location selection interface. It features the same logos as the previous screen. The text reads: "Please select the primary location where you work or volunteer." Below this, there is a dropdown menu labeled "Primary location:" with the text "- Please select -" and a "Continue" button. At the bottom, there is a note: "If you are associated with multiple locations, please choose the primary (work) location first. Then click the continue button to select additional locations such as those where you volunteer."

Step 6: Select your role(s) within the organization (multiple may be selected).

Step 7: Click on the green circle to begin the online training. Upon completion, the last screen will allow you to print a certificate.

The screenshot shows a dashboard with a sidebar on the left containing "Training", "Online Training Modules", "Message Center", "Update My Account", and "My Report". The main content area is titled "Online Training Modules" and lists a module: "Child Protection Online Awareness Session" with a green checkmark icon, assigned on 01/02/2017 and due on 01/17/2017. Below this, there are three status indicators: "Past due" with a red triangle, "Due date approaching" with a yellow triangle, and "Assigned" with a green checkmark.

Step 12: Confirm the information is correct and click submit. Once the background check has been successfully processed you will be notified via email.
